The Center for eLearning at FAU is committed to increasing access to education, improving student-learning outcomes, and reducing instructional costs by effectively utilizing technology in course delivery redesigns.

The Center for eLearning staff works closely with distance learning faculty members to provide the same level of quality and interaction students get in face-to-face classes. Many of FAU’s distance learning courses have received certification from Quality Matters, a third-party organization that verifies the quality of online programs.
